WELCOME!

Christ the King Lutheran Church is a congregation of the Evangelical Lutheran Church in America, a denomination of over 10,500 congregations and almost 5 million people across the country. This congregation began in 1966 as a mission to eastern Huntington and Cabell County but our membership is drawn from across the tri-state area. Our size has varied with the local community but we continue to be a people who worship God and serve our neighbor, who care and share. We are the little church with the big heart.

What is a Lutheran?

We count ourselves as among those in the Christian tradition as taught by the 16th century pastor and Bible professor, Martin Luther. To paraphrase his teaching based on Ephesians 2:8, 9 - It is God's love, favor, and mercy that determines the value and worth of every person. This is given us freely by God the Father as a gift through His son, Jesus Christ. By the power of His continuing presence in our lives through the Holy Spirit we invite others to this fellowship and strive to serve both our community and the world.
